Context of this prayer and liturgy policy

'The celebration of Catholic liturgies and prayers as an integral part of the learning and teaching should enable the school community to become reflective, experience the presence of God and should develop a mature spiritual life.' (Marcus Stock (2012), Christ at the Centre, Catholic Truth Society, 23.)

Statement of requirement

The law requires all maintained Catholic schools to provide an act of daily collective worship (prayer and liturgy) for all pupils, including those in the sixth form (Section 70, 1988 Education Act) that is in accordance with the rites, practices, disciplines, and liturgical norms of the Catholic Church (School Standards and Framework Act 1998, schedule 20; 70 Instrument of Government, clause 2). Academies in England are required by their funding agreement and Articles of Association to comply with similar requirements (The Mainstream Academy and Free School: Supplemental Funding Agreement, December 2020; Model Articles for Catholic Academies, February 2019).

The law requires all maintained schools to recognise and respect that parents have the legal right to withdraw their children up to the age of 16 from prayer and liturgy (School Standards and Framework Act 1998, s.71(1A)). Sixth-form pupils can choose to withdraw themselves from prayer and liturgy (School Standards and Framework Act 1998, s.71(1B)). The school's provision for prayer and liturgy will fulfil pupils' entitlement to experience the range of liturgical treasures of the Church, including a shared repertoire of prayers and liturgical music with which pupils in the school will be familiar. Prayer and liturgy are not designated curriculum time. In the context of the Catholic school, this means that times of prayer and liturgy are not considered to be part of the allocation of curriculum time for Religious Education.

Responsibility

(a) Governance

The governors, as guardians of the Catholic school's life and mission, have a responsibility to ensure that:

- Prayer and liturgy are central to the Catholic life of the school and therefore are in line with the guidance set out by the Prayer and Liturgy Directory
- There is a named person(s) who is responsible for prayer and liturgy in the school (the Prayer and Liturgy Coordinator)
- The prayer and liturgy policy is updated regularly and shared with all stakeholders
- There is a budget for prayer and liturgy that reflects its centrality to the life of a Catholic school.

- Those responsible for prayer and liturgy in the school have been given appropriate training and formation to ensure that all guidance is followed and adhered to
- There are suitable resources for prayer and liturgy in the school.

(c) Prayer and Liturgy Coordinator

Those responsible for prayer and liturgy ensure that:

- Prayer and liturgy are central to the Catholic life of the school and therefore are in line with the guidance set out by the Prayer and Liturgy Directory
- There is an Annual Plan of Provision for prayer and liturgy across the school year which identifies liturgical seasons and key celebrations, as well as opportunities for the celebration of the Sacraments
- There is daily planned prayer for all pupils, appropriate to age and ability, as outlined in the Prayer and Liturgy Directory
- Pupils are supported in their liturgical formation to take an active role in the planning, preparation, and delivery of prayer and liturgy according to their age and capacity, and in a manner which facilitates their progressive participation
- Resources to support the planning of prayer and liturgy are appropriate and readily available to staff and pupils
- Induction on prayer and liturgy takes place for new members of staff as required
- Staff have access to effective training and formation opportunities
- Monitoring and evaluation of prayer and liturgy take place regularly and feed back into planning for future liturgies
- Monitoring of prayer and liturgy is reported to the Headteacher and governing body to support whole-school development and the Catholic life of the school
- There is collaboration with local clergy and parishes
- Liaison with the Diocesan Advisory Service and others is maintained to ensure they keep updated with best practice.

Overview of Prayer and Liturgy Provision

Prayer and Liturgy at St Robert Southwell encourages pupils to take part in a conscious, active, and meaningful way, leading to a deeper and more fruitful encounter with Christ (*Christ at the Centre, 2012*).

Acts of prayer and worship at our school take place in a variety of forms. These are enriched and supported by our learning environments, which reflect and celebrate the school's Catholic identity, faith and mission.

Daily Prayer

We continue to foster and deepen the children's personal relationship with God our Father daily in prayer. We do this by helping them become aware of God's Presence in their lives and of His love for them by leading them to respond to Him in a manner suited to their age.

This may be in one of the following ways:

- Prayer of silence
- Spontaneous prayer
- Praying through gesture or action
- Formal prayer

The daily routine of school involves time for prayers:

- Each morning begins with a Morning Prayer
- Grace before children go for their lunch
- End of day prayer

The Headteacher, Deputy Headteacher, Assistant Headteacher for R.E and the Chaplaincy Leader all take a prominent role in leading prayer and liturgy sessions and assemblies. Collective worship and assemblies are not the same things, but it is usual in our school for an act of worship to take place during an assembly, either as a small part of the assembly or its entirety. In our school every assembly incorporates an act of worship that aims to be inclusive, curricular and educational where all pupils are capable of responding.

A wide variety of pupil-led worship is actively encouraged. Parents, governors, faith community representatives and other community groups are encouraged to be involved when and where appropriate, either by occasional participation or by specific invitation. The process of worship takes place through a variety of media, song, story drama, music, poetry etc. It takes place through class assemblies and Masses as well as adult-led worship time.

Full details of all provision can be found in the Annual Plan of Provision (APP)

Resourcing

Prayer and liturgy are central to the school's understanding of itself as a Catholic school and this is reflected in the annual budget allocation and available resources, including staff time, chaplaincy provision, and dedicated spaces for prayer and liturgy. The Catholic character of the school is reflected in religious artefacts and images on display throughout the building. Dedicated spaces for prayer and liturgy will be furnished and maintained as such, and updated to reflect the Church's liturgical season. Staff training and formation costs will be funded separately to ensure that all staff are able to fulfil their responsibility to contribute to the prayer and liturgical life of the school.

Training and formation

All new staff will be supported during induction and beyond, so that they fully understand the responsibility they carry within their individual role for leading prayer and liturgy in the school. Any individual training needs will be identified and addressed through training and formation. There will also be the opportunity for whole-staff professional development at least once a year, so that all staff understand the importance of prayer and liturgy and relevant staff are well supported to lead as required.

Monitoring and evaluation

Monitoring and evaluation of the quality and impact of prayer and liturgy will take place regularly, and at least annually, and involve all key stakeholders: pupils, parents, staff, clergy, and governors. Areas for development will be identified and issues raised will be actioned and evidenced as appropriate.

Review

The policy will be reviewed as part of the regular cycle of policy review conducted by the governors.
